Finding your assigned section: Each Senate District has a sign marking its area- either on the floor (A-F and ADA) or in the stadium bowl. Use the chart to quickly find your district. If your section says "Upper," "Lower," or "Middle," your numbering section is shared with another State Senate District, so be sure to look for your district sign to find your designated area. **Credentialed Guests may sit in sections 204 and 205.**

**\*For seating purposes, see the State Senate district on your credential**
