# **SIP & VENT EVENT**

**FEBRUARY 7<sup>th</sup>, 2-6pm  
Stellwagen Beer Company  
Marshfield, MA**

## **A Beer & Talk Community**

In these absolutely  
INSANE times,  
COMMUNITY is what we  
need most. Come talk,  
grab a beer, get a hug,  
let out a primal scream  
(outback please, we  
want to come back)  
whatever, with people as  
fed up, angry, bullshit,  
numb up as you are.

## **Non-Partisan Support**

This meet up is about support  
and unity. No strings, no  
requirements, casual. Talk about  
current events or don't. We just  
ask folks be respectful of each  
other and the brewery. When we  
vent/heal we get stronger.

If you have been looking for a  
way to feel less isolated &  
powerless and you have been  
wanting to connect with a  
greater good through  
community...  
**Start here with us.**

This is an unofficial, non-affiliated  
community meet-up.  
Not sponsored by Stellwagen

**Come Sip & Vent...** we will  
figure the rest out together.
