

2024 ELECTION

The Marshfield Democratic Town Committee has put together an informational pamphlet to help you in the coming election cycle. The committee hopes you will find this information useful.

Civic engagement events

The committee is working to improve political dialogue in Marshfield with a voter outreach program whose theme is "Do Good Often!" The committee is doing this by hosting six civic engagement events, which are mini-volunteer opportunities. These volunteer opportunities are easy-to-do activities that take less than an hour to complete. They include donation drives, clean-up efforts, and community outreach.

2024 SCHEDULE

Get involved in 2024 campaigns

Between now and November 5th, the Republicans will do something to make you mad. Rather than getting into a screaming match with your television or fighting with strangers on social media, join the Marshfield band of good troublemakers by getting involved in the upcoming election. All over the South Shore, the committee is teaming up with other DTCs to offer a wide range of volunteer opportunities to help Democrats locally and in the battleground states. Marshfield Town Election

The Marshfield Democratic Town Committee is improving the political discussion by "Doing Good Often!" To achieve that goal, the committee is hosting two civic engagement events this spring and would like to invite you to participate. In April, we will be putting together a cleanup crew for the Earth Day celebration, and in May, there'll be a blood donation drive for the American Red Cross. To find out more about these events and others, please visit our blog, mdtc.blog/dogoodoften, or scan the QR code.
